FEP Blue Basic Medicare Prescription Drug Program (MPDP)

Formulario 2025

Lista de Medicamentos Cubiertos o "Lista de Medicamentos"

LEA ATENTAMENTE: ESTE DOCUMENTO CONTIENE INFORMACIÓN IMPORTANTE SOBRE LOS MEDICAMENTOS QUE CUBRIMOS EN ESTE PLAN

ID de Presentación de Archivo de Formulario Aprobado HPMS: 25193

Este formulario fue actualizado el 10/10/2024. Para obtener información más reciente o por otras preguntas, comuníquese con nosotros, Cuidado al Cliente del Programa de Medicamentos Recetados de Medicare FEP al 888-338-7737 (los usuarios de teléfono de texto (TTY) deben llamar al 711) o visite www.fepblue.org/medicarerx.

Nota a los miembros existentes: Este Formulario ha cambiado desde el año pasado. Revise este documento para asegurarse de que aún contenga los medicamentos que toma.

Cuando esta Lista de Medicamentos (Formulario) haga referencia a "nosotros", "nos" o "nuestro", significa el Programa de Medicamentos Recetados de Medicare FEP. Cuando haga referencia a "plan" o "nuestro plan", significa FEP Blue Basic Medicare Prescription Drug Program (MPDP).

Este documento incluye una Lista de Medicamentos (formulario) actualizada, vigente al 10/10/2024. Si necesita un formulario actualizado, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha en la que actualizamos por última vez la Lista de Medicamentos (formulario), aparece en la portada y en la contratapa.

Generalmente debe usar las farmacias de la red para acceder a los beneficios de medicamentos recetados. Los beneficios, el formulario, la red de farmacias y/o los copagos/coseguros podrían cambiar el 1 de enero de 2025 y de vez en cuando durante el año.

¿Cuál es el Formulario FEP Blue Basic Medicare Prescription Drug Program (MPDP)?

En este documento utilizamos los términos Lista de Medicamentos y formulario para significar lo mismo. Un formulario es una lista de medicamentos cubiertos seleccionados por FEP Blue Basic Medicare Prescription Drug Program (MPDP) conjuntamente con un equipo de proveedores de cuidados de salud, y que representa los tratamientos de medicamentos recetados que se consideran parte necesaria en un programa de tratamiento de calidad. FEP Blue Basic Medicare Prescription Drug Program

(MPDP) generalmente cubrirá los medicamentos enumerados en nuestro formulario, siempre y cuando el medicamento sea médicamente necesario, la receta se despache en una farmacia de la red de FEP Blue Basic Medicare Prescription Drug Program (MPDP) y se sigan otras reglas del plan. Para obtener más información sobre cómo surtir las recetas, revise la Evidencia de Cobertura.

¿Puede el Formulario (lista de medicamentos) cambiar?

La mayoría de los cambios en la cobertura de medicamentos ocurren el 1 de enero, pero podríamos añadir o quitar medicamentos del formulario durante el año, desplazarlos a otros niveles de costo compartido o añadir nuevas restricciones. Debemos seguir las reglas de Medicare al hacer estos cambios. Las actualizaciones al formulario se publican mensualmente en nuestro sitio Web aquí: www.fepblue.org/medicarerx.

Cambios que pueden afectarle este año: En los siguientes casos, se verá afectado por los cambios en la cobertura durante el año:

- **Sustitución inmediata de determinadas versiones nuevas de medicamentos de marca y de productos biológicos originales.** Podríamos retirar de inmediato un medicamento de nuestro formulario si lo reemplazamos por una determinada nueva versión de este medicamento que surja en el mismo nivel de costo compartido o en uno menor, y con igual o menor cantidad de restricciones. Cuando añadimos una nueva versión de un medicamento al formulario, podríamos mantener el medicamento de marca o el producto biológico original en nuestro formulario, pero lo pasaríamos de inmediato a otro nivel de costo compartido o añadirle nuevas restricciones.

  Podemos hacer estos cambios inmediatos solamente si añadimos una nueva versión genérica de un medicamento de marca o si añadimos nuevas versiones biosimilares de un producto biológico original, que ya estaba en el formulario (por ejemplo, añadir un biosimilar intercambiable que una farmacia puede sustituir por un producto biológico original sin que se necesite una receta nueva).

  Si está tomando actualmente ese medicamento de marca o producto biológico original, podríamos no informarle por adelantado antes de hacer un cambio inmediato, pero después le haremos saber los cambios específicos realizados.

  Si hacemos un cambio de ese tipo, usted o el profesional que emite la receta pueden pedirnos que hagamos una excepción y sigamos cubriendo el medicamento que es objeto del cambio. Para obtener más información, consulte la sección abajo titulada "¿Cómo solicito una excepción al Formulario de FEP Blue Basic Medicare Prescription Drug Program (MPDP)?"

  Algunos de estos tipos de medicamentos podrían ser nuevos para usted. Para obtener mayor información consulte la sección más abajo titulada "¿Qué son los productos biológicos originales y cuál es su relación con los biosimilares?"

- **Medicamentos retirados del mercado.** Si un medicamento es retirado del mercado por el fabricante o la Administración de Alimentos y Medicamentos (FDA) determina que debe ser retirado por motivos de seguridad o efectividad, podríamos retirar el medicamento de nuestro formulario de inmediato e informaremos a los miembros que lo toman.

- **Otros cambios.** Podríamos hacer otros cambios que afectan a los miembros que actualmente toman el medicamento. Por ejemplo, podríamos añadir un nuevo medicamento genérico para que sustituya un medicamento de marca que está actualmente en el formulario o añadir un nuevo biosimilar para reemplazar un producto biológico original que está actualmente en el formulario,

o bien añadir nuevas restricciones o mover un medicamento que mantenemos en el formulario a un nivel de costo compartido más alto o ambos luego que añadamos un medicamento correspondiente. Podríamos hacer cambios de acuerdo con nuevas directrices clínicas. Si retiramos medicamentos del formulario, añadimos requisitos de autorización previa, límites de cantidad o restricciones de terapia escalonada, o si desplazamos un medicamento a un nivel superior de costo compartido, debemos notificar este cambio a los miembros afectados al menos 30 días antes de la entrada en vigor de dicho cambio. Alternativamente, cuando un miembro solicita la repetición de un medicamento, debería recibir un suministro de 30 días del medicamento y el aviso de cambio.

Si hacemos estos otros cambios, usted o el profesional que emite la receta pueden pedirnos que hagamos una excepción para usted y que sigamos cubriendo el medicamento que ha estado tomando. El aviso que le enviamos también incluirá información sobre cómo solicitar una excepción, y también podrá encontrar la información en la sección abajo titulada "¿Cómo solicito una excepción al Formulario de FEP Blue Basic Medicare Prescription Drug Program (MPDP)?"

Cambios que no le afectarán si toma actualmente el medicamento. Generalmente, si usted toma un medicamento en nuestro formulario de 2025 que estaba cubierto al comienzo del año, no descontinuaremos ni reduciremos la cobertura de ese medicamento durante el año de cobertura 2025, excepto como se describe arriba. Esto significa que estos medicamentos seguirán disponibles al mismo nivel de costo compartido y sin nuevas restricciones para aquellos miembros que lo toman durante el resto del año de cobertura. Usted no recibirá un aviso directo este año sobre cambios que no le afecten. Sin embargo, el 1 de enero del próximo año, los cambios le afectarán y es importante que revise el formulario del nuevo año de beneficios para ver si hay cambios en los medicamentos.

El formulario adjunto está actualizado al 10/10/2024. Para recibir información actualizada sobre los medicamentos cubiertos por FEP Blue Basic Medicare Prescription Drug Program (MPDP), comuníquese con nosotros. Nuestra información de contacto aparece en la portada y contratapa.

¿Cómo uso el Formulario?

Hay dos maneras de encontrar el medicamento en el formulario:

Afección médica

El formulario comienza en la página 1. Los medicamentos en este formulario están agrupados en categorías, dependiendo del tipo de afección médica que tratan. Por ejemplo, los medicamentos usados para tratar una afección cardiaca están enunciados bajo la categoría Cardiovascular. Si usted sabe para qué se usa el medicamento, busque el nombre de la categoría a partir de la página 1. Luego, busque el medicamento bajo el nombre de la categoría.

Listado alfabético

Si no está seguro en qué categoría buscar, busque el medicamento en el Índice al final del documento correspondiente al Formulario. El Índice ofrece un listado alfabético de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los medicamentos genéricos están incluidos en el Índice. Busque en el Índice y encuentre su medicamento. Junto a su medicamento, verá el número de la página en la que podrá encontrar la información de cobertura. Vaya a la página indicada en el Índice y busque el nombre del medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

FEP Blue Basic Medicare Prescription Drug Program (MPDP) cubre tanto medicamentos de marca como genéricos. Un medicamento genérico está aprobado por la FDA como medicamento que contiene el mismo ingrediente activo que el medicamento de marca. Por lo general, los medicamentos genéricos funcionan igual de bien que los medicamentos de marca, pero cuestan menos que estos. Hay sustitutos de medicamentos genéricos disponibles para muchos medicamentos de marca. Por lo general, los medicamentos genéricos se pueden sustituir por el medicamento de marca en la farmacia sin necesidad sin que se necesite una receta nueva, según las leyes estatales.

¿Qué son los productos biológicos originales y cuál es su relación con los biosimilares?

En el formulario, cuando nos referimos a medicamentos, estos pueden ser un medicamento o un producto biológico. Los productos biológicos son medicamentos más complejos que los medicamentos típicos. Puesto que los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen alternativas llamadas biosimilares. Por lo general, los medicamentos biosimilares funcionan igual de bien que el producto biológico original y pueden costar menos. Hay alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son biosimilares intercambiables y, según la legislación estatal, pueden ser sustituidos por el producto biológico original en la farmacia sin que se necesite una receta nueva, exactamente igual a los medicamentos genéricos que pueden ser sustituidos por medicamentos de marca.

- Para una discusión sobre los tipos de medicamentos, consulte la Evidencia de Cobertura, Capítulo 3, Sección 3.1, “La ‘Lista de Medicamentos’ le indica cuáles medicamentos de la Parte D están cubiertos”.

¿Hay alguna restricción en mi cobertura?

Algunos medicamentos cubiertos podrían tener requisitos adicionales o límites de cobertura. Estos requisitos y límites podrían incluir:

- **Autorización previa:** FEP Blue Basic Medicare Prescription Drug Program (MPDP) requiere que usted o el profesional que emite la receta obtengan autorización previa para ciertos medicamentos. Esto significa que usted deberá obtener la aprobación de FEP Blue Basic Medicare Prescription Drug Program (MPDP) antes de surtir su receta. Si no recibe autorización previa, es posible que FEP Blue Basic Medicare Prescription Drug Program (MPDP) no cubra el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, FEP Blue Basic Medicare Prescription Drug Program (MPDP) limita la cantidad de medicamentos que FEP Blue Basic Medicare Prescription Drug Program (MPDP) cubrirá. Por ejemplo, FEP Blue Basic Medicare Prescription Drug Program (MPDP) provee 30 comprimidos por receta de 30 días de atorvastatin 80 mg. Esto podría ser adicionalmente al suministro mensual estándar de un mes o de tres meses.
- **Terapia escalonada:** En algunos casos, FEP Blue Basic Medicare Prescription Drug Program (MPDP) requiere que pruebe primero ciertos medicamentos para tratar su afección médica antes que cubramos otro medicamento para esta afección. Por ejemplo, si un Medicamento A y un Medicamento B tratan su afección médica por igual, FEP Blue Basic Medicare Prescription Drug Program (MPDP) podría no cubrir el Medicamento B a menos que usted pruebe primero el

Medicamento A. Si el Medicamento A no le sirve, entonces FEP Blue Basic Medicare Prescription Drug Program (MPDP) cubrirá el Medicamento B.

Usted puede saber si su medicamento tiene requisitos o límites adicionales, consultando el formulario a partir de la página 1. También puede obtener más información sobre las restricciones aplicadas a medicamentos cubiertos específicos visitando nuestro sitio Web. Hemos publicado documentos en línea que explican nuestras restricciones de autorización previa y de terapia escalonada. También puede pedirnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha en la que actualizamos por última vez el formulario aparece en la portada y en la contratapa.

Usted puede pedirle a FEP Blue Basic Medicare Prescription Drug Program (MPDP) que haga una excepción a estas restricciones o límites o para una lista de otros medicamentos similares que podrían tratar su afección de salud. Consulte la sección "¿Cómo solicito una excepción al formulario de FEP Blue Basic Medicare Prescription Drug Program (MPDP)?" en la página V para obtener información sobre cómo solicitar una excepción.

¿Qué pasa si mi medicamento no está en el Formulario?

Si su medicamento no está en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con Cuidado al Cliente y preguntar si el medicamento está cubierto. Para obtener más información, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha en la que actualizamos por última vez el formulario aparece en la portada y en la contratapa.

Si se entera de que FEP Blue Basic Medicare Prescription Drug Program (MPDP) no cubre su medicamento, usted tiene dos opciones:

- Puede pedirle al Cuidado al Cliente una lista de medicamentos similares cubiertos por FEP Blue Basic Medicare Prescription Drug Program (MPDP). Cuando reciba la lista, muéstrela a su médico y pídale que le recete un medicamento similar que esté cubierto por FEP Blue Basic Medicare Prescription Drug Program (MPDP).
- Puede pedir a FEP Blue Basic Medicare Prescription Drug Program (MPDP) que haga una excepción y cubra su medicamento. Consulte más abajo para obtener más información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción al Formulario de FEP Blue Basic Medicare Prescription Drug Program (MPDP)?

Puede pedirle a FEP Blue Basic Medicare Prescription Drug Program (MPDP) que haga una excepción a nuestras reglas de cobertura. Hay varios tipos de excepciones que puede pedirnos que hagamos.

- Puede pedirnos que cubramos un medicamento, aunque no esté en el formulario. Si se aprueba, este medicamento estará cubierto a un nivel predeterminado de costo compartido, y no podrá pedirnos que le demos el medicamento a un nivel inferior de costo compartido.
- Puede pedirnos hagamos una exención a una restricción de cobertura, como la autorización previa, la terapia escalonada o un límite de cantidad de su medicamento. Por ejemplo, para ciertos medicamentos, FEP Blue Basic Medicare Prescription Drug Program (MPDP) limita la cantidad de medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede pedirnos una exención del límite y la cobertura de más cantidad.

- Nos puede pedir que cubramos un medicamento del formulario a un nivel de costo compartido más bajo, a menos que este medicamento esté en el nivel de especialidad. Si se aprueba, esto reduciría la cantidad que usted tendría que pagar por su medicamento.

Por lo general, FEP Blue Basic Medicare Prescription Drug Program (MPDP) sólo aprobará su solicitud de excepción si los medicamentos alternativos están incluidos en el formulario del plan, si el medicamento de costo compartido inferior o las restricciones adicionales de uso no serían tan eficaces para usted y/o podrían causarle efectos desfavorables.

Usted o el profesional que emite la receta deben comunicarse con nosotros para solicitar una excepción de formulario o de nivel, lo que incluye una excepción a una restricción de cobertura. **Cuando solicita una excepción, el profesional que emite la receta necesitará explicar las razones médicas por las que usted necesita la excepción.** Por lo general, tomaremos nuestra decisión dentro de las 72 horas siguientes de haber recibido la declaración justificativa del profesional que emite la receta. Puede solicitar una excepción sin demora (rápida) si usted cree, y nosotros estamos de acuerdo, que su salud podría verse seriamente perjudicada por esperar hasta 72 horas por una decisión. Si estamos de acuerdo, o si el profesional que emite la receta pide una decisión rápida, debemos darle una decisión a más tardar 24 horas después que hayamos recibido la declaración justificativa de este profesional.

¿Qué puedo hacer si mi medicamento no está en el formulario o tiene restricciones?

Como miembro nuevo o continuo en nuestro plan, usted podría estar tomando medicamentos que no están en nuestro formulario. O usted podría estar tomando un medicamento que está en nuestro formulario pero tiene una restricción de cobertura, por ejemplo, una autorización previa. Debería hablar con el profesional que emite la receta respecto a solicitar una decisión de cobertura para demostrar que usted cumple los criterios para la aprobación, pasarse a un medicamento alternativo que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras habla con su médico para determinar la acción correcta para usted, podríamos cubrir su medicamento durante los primeros 90 días en los que sea miembro de nuestro plan.

Para cada uno de los medicamentos que no estén en nuestro formulario o si hay una restricción de cobertura, cubriremos un suministro temporal de 30 días. Si su receta es por menos días, permitiremos repeticiones para darle un máximo de hasta 30 días de medicamento. Si la cobertura no es aprobada, después del primer suministro de 30 días, no pagaremos estos medicamentos, aunque haya sido miembro del plan por menos de 90 días.

Si reside en una institución de cuidados a largo plazo y necesita un medicamento que no está en nuestro formulario o si su capacidad de recibir sus medicamentos es limitada, pero los primeros 90 días de su membresía en nuestro plan han pasado, cubriremos un suministro de emergencia de 31 días para ese medicamento mientras solicita una excepción al formulario.

El plan tiene cuatro Niveles de Costo Compartido.

Cada medicamento en la lista de medicamentos del plan se encuentra en uno de los cuatro niveles de costo compartido, tal como se indica en la tabla a continuación:

Nivel 1	Medicamento genérico
Nivel 2	Medicamento de marca preferente
Nivel 3	Medicamento no preferente
Nivel 4	Nivel de especialidad

Para saber en qué nivel de costo compartido está su medicamento, consulte la lista de medicamentos a partir de la página 1.

Para obtener más información

Para obtener información más detallada acerca de su cobertura de medicamentos recetados de FEP Blue Basic Medicare Prescription Drug Program (MPDP), revise su Evidencia de Cobertura y demás materiales del plan.

Si tiene alguna pregunta sobre FEP Blue Basic Medicare Prescription Drug Program (MPDP), comuníquese con nosotros. Nuestra información de contacto, junto con la fecha en la que actualizamos por última vez el formulario aparece en la portada y en la contratapa.

En caso de preguntas generales sobre la cobertura de medicamentos recetados de Medicare, llame a Medicare al 1-800-MEDICARE (1-800-633-4227), las 24 horas del día, los 7 días de la semana. Los usuarios de teléfono de texto (TTY) deben llamar al 1-877-486-2048. O, visite http://www.medicare.gov.

Formulario de FEP Blue Basic Medicare Prescription Drug Program (MPDP)

El formulario que comienza en la página siguiente ofrece información de cobertura de los medicamentos cubiertos por FEP Blue Basic Medicare Prescription Drug Program (MPDP). Si tiene problemas para encontrar su medicamento en la lista, consulte el Índice al final del documento correspondiente al Formulario.

La primera columna del cuadro contiene el nombre del medicamento. Los medicamentos de marca están en letras mayúsculas (ej.: DIOVAN) y los medicamentos genéricos están indicados cursivas minúsculas (ej.: *valsartan*).

La información en la columna Requisitos/Límites le indica si FEP Blue Basic Medicare Prescription Drug Program (MPDP) tiene algún requisito especial de cobertura para su medicamento. La siguiente tabla describe los símbolos y las abreviaturas utilizados en la columna Requisitos/Límites.

B/D	El medicamento mencionado pude estar cubierto por la Parte B de Medicare o por la Parte D de Medicare. Esto se determina de manera individual, según para qué se use el medicamento y cómo se administra.
PA	Autorización (Aprobación) previa: usted debe tener la aprobación previa del plan antes de que se le pueda entregar este medicamento.
QL	Límite de cantidad: hay un límite sobre cuánto medicamento cubriremos.
ST	Terapia escalonada: debe probar primero otro medicamento antes de que pueda recibir este otro.

Este formulario fue actualizado el 10/10/2024. Para obtener información más reciente o por otras preguntas, comuníquese con nosotros, Cuidado al Cliente del Programa de Medicamentos Recetados de Medicare FEP, al 888-338-7737 (los usuarios de teléfono de texto (TTY) deben llamar al 711), los 7 días de la semana, las 24 horas del día, o visite www.fepblue.org/medicarerx.

El Programa de Medicamentos Recetados de Medicare (MPDP) FEP es un plan de medicamentos recetados que tiene un contrato con Medicare. La inscripción en el programa depende de la renovación del contrato. The Blue Cross and Blue Shield Federal Employee Program® y FEP® son marcas registradas pertenecientes a Blue Cross Blue Shield Association.

FEP Blue Basic Medicare Prescription Drug Program (MPDP)

Formulario Ampliado 2025

Este formulario fue actualizado el 09/25/2024. Para obtener información más reciente o por otras preguntas, comuníquese con nosotros, Cuidado al Cliente del Programa de Medicamentos Recetados de Medicare FEP, al 888-338-7737 (los usuarios de teléfono de texto (TTY) deben llamar al 711) o visite www.fepblue.org/medicarerx.

Cuando esta Lista de Medicamentos (Formulario) haga referencia a “nosotros”, “nos” o “nuestro”, significa el Programa de Medicamentos Recetados de Medicare FEP. Cuando haga referencia a “plan” o “nuestro plan”, significa FEP Blue Basic Medicare Prescription Drug Program (MPDP).

Introducción: El Formulario Ampliado de FEP Blue Basic Medicare Prescription Drug Program (MPDP) es una referencia útil para la selección de un medicamento. El Formulario Ampliado de FEP Blue Basic Medicare Prescription Drug Program (MPDP) ha sido revisado por el Comité de Política Farmacéutica y Médica del FEP así como por médicos y farmacéuticos del FEP, quienes determinaron que el estatus preferente es el apropiado.

El Formulario Ampliado de FEP Blue Basic Medicare Prescription Drug Program (MPDP) se proporciona como referencia para la selección de un tratamiento farmacológico. La selección específica del medicamento para un paciente en particular queda exclusivamente a criterio del profesional que emite la receta.

Prefacio: El formulario está organizado por secciones, que se refieren a una clase de medicamento o a un estadio de una enfermedad. Salvo que se indiquen excepciones, todas las formas farmacéuticas y concentraciones del medicamento citado están incluidas en el formulario.

El Programa de Medicamentos Recetados de Medicare FEP puede imponer restricciones o no reembolsar determinados medicamentos o tipos de productos. Por ejemplo, determinados medicamentos y suministros para la depilación y el crecimiento del vello están excluidos del beneficio farmacéutico. Además, los productos de venta libre (OTC, por sus siglas en inglés), a excepción de los productos de

control de la diabetes, no suelen estar incluidos en el beneficio farmacéutico. Algunos productos de venta libre figuran en el formulario únicamente a título informativo.

El formulario está separado por Niveles de la siguiente manera:

Nivel 1	Medicamento genérico
Nivel 2	Medicamento de marca preferente
Nivel 3	Medicamento no preferente
Nivel 4	Nivel de especialidad

Todos los medicamentos preferentes figuran en sus respectivos niveles de las listas de medicamentos a lo largo de este formulario. Los medicamentos pueden ser revisados por el Comité de Política Farmacéutica y Médica del FEP y designados como no preferentes. El Programa de Medicamentos Recetados de Medicare FEP puede clasificar determinados medicamentos como no preferentes, normalmente si la relación costo-efectividad es inferior que la de otros medicamentos similares.

Restricciones de cobertura: Algunos medicamentos cubiertos podrían tener requisitos adicionales o límites de cobertura. Estos requisitos y límites podrían incluir:

- **Autorización previa:** FEP Blue Basic Medicare Prescription Drug Program (MPDP) requiere que usted o el profesional que emite la receta obtengan autorización previa para ciertos medicamentos. Esto significa que usted deberá obtener la aprobación de FEP Blue Basic Medicare Prescription Drug Program (MPDP) antes de surtir su receta. Si no recibe la aprobación, es posible que el plan no cubra el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, FEP Blue Basic Medicare Prescription Drug Program (MPDP) limita la cantidad de medicamentos que cubrirá.
- **Terapia escalonada:** En algunos casos, FEP Blue Basic Medicare Prescription Drug Program (MPDP) requiere que pruebe primero ciertos medicamentos para tratar su afección médica antes que cubramos otro medicamento para esta afección. Por ejemplo, si un Medicamento A y un Medicamento B tratan su afección médica por igual, FEP Blue Basic Medicare Prescription Drug Program (MPDP) podría no cubrir el Medicamento B a menos que usted pruebe primero el Medicamento A. Si el Medicamento A no le sirve, entonces el plan cubrirá el Medicamento B.

Comité de Política Farmacéutica y Médica: La función del Comité de Política Farmacéutica y Médica de FEP incluye la evaluación de nuevos medicamentos y hacer recomendaciones para la designación de medicamentos preferentes o no preferentes en el Formulario Ampliado de FEP Blue Basic Medicare Prescription Drug Program (MPDP). El Comité de Política Farmacéutica y Médica de FEP está compuesto por médicos y farmacéuticos que no son empleados ni agentes del FEP, ni tienen intereses financieros en este.

Criterios de selección de productos: El Comité de Política Farmacéutica y Médica del FEP considerará los medicamentos aprobados por la Administración de Alimentos y Medicamentos (FDA) de EE.UU. para su designación como preferentes. La evaluación incluye una revisión de la literatura; también puede buscarse la opinión de expertos. Se preparan revisiones formales que generalmente abordan la siguiente información:

- Seguridad
- Eficacia
- Estudios comparativos
- Interacciones medicamentosas
- Indicaciones aprobadas
- Formulación y administración
- Efectos adversos
- Contraindicaciones
- Farmacocinética
- Consideraciones de cumplimiento del paciente
- Resultados médicos y estudios fármaco-económicos

Cuando se considere la posibilidad de dar preferencia a un nuevo medicamento, se intentará examinarlo en relación con otros medicamentos similares actualmente preferidos. Además, se revisan periódicamente clases terapéuticas enteras. El proceso de revisión de clase puede resultar en una designación de estado no preferente para el o los medicamentos en una clase terapéutica particular, en un esfuerzo por promover continuamente los agentes clínicamente más útiles y rentables.

Los medicamentos evaluados por el Comité de Política Farmacéutica y Médica y no clasificados como preferentes reciben la designación de no preferentes en el Formulario Ampliado de FEP Blue Basic Medicare Prescription Drug Program (MPDP). Esta designación indica la convicción del Comité de Política Farmacéutica y Médica de que el medicamento no ofrece ninguna ventaja clínica ni de costo ventajosa sobre medicamentos preferentes comparables, o que actualmente no hay información suficiente para determinar su papel clínico apropiado, o que persistan preguntas con respecto a la seguridad y la eficacia. Los medicamentos no preferentes pueden estar cubiertos por el Formulario Ampliado de FEP Blue Basic Medicare Prescription Drug Program (MPDP). Sin embargo, puede haber costos adicionales incurridos por el paciente para recibir un medicamento no preferente. Se alienta a los médicos a recetar los medicamentos preferentes.

Toda la información contenida en el Formulario Ampliado de FEP Blue Basic Medicare Prescription Drug Program (MPDP) se proporciona como referencia para la selección de un tratamiento farmacológico. La elección final de una selección específica de medicamentos para un paciente individual queda exclusivamente a criterio del profesional que emite la receta.

Sustitución por genéricos: Una forma de reducir los gastos de bolsillo es solicitando un medicamento genérico. Los medicamentos genéricos generalmente tienen un precio más bajo que sus equivalentes de marca. Los medicamentos genéricos recetados:

- Están aprobados por la FDA en cuanto a seguridad y eficacia, y se fabrican bajo los mismos estrictos estándares que se aplican a los medicamentos de marca.

- Han sido probados en humanos para garantizar que el genérico se absorbe en el torrente sanguíneo a un ritmo similar y en la misma medida que el medicamento de marca. Los genéricos pueden ser diferentes de la marca en tamaño, color e ingredientes inactivos, pero esto no altera su eficacia o capacidad de ser absorbidos al igual que el medicamento de marca.
- Se fabrican en la misma concentración y forma de dosificación que los medicamentos de marca.

Cuando un medicamento genérico se sustituye por un medicamento de marca, puede esperar que el genérico produzca el mismo efecto clínico y perfil de seguridad que el medicamento de marca.

Editor: Lo animamos a hacer comentarios y sugerencias con respecto este Formulario Ampliado de FEP Blue Basic Medicare Prescription Drug Program (MPDP). Su aporte es vital para el éxito continuado de este formulario. Todas las respuestas serán revisadas y tenidas en cuenta. Envíe sus comentarios a:

Aviso: La información contenida en este Formulario Ampliado de FEP Blue Basic Medicare Prescription Drug Program (MPDP), así como todo apéndice asociado, es proporcionada por el Programa de Medicamentos Recetados de Medicare FEP exclusivamente para la comodidad de los proveedores médicos. No garantizamos ni aseguramos la exactitud de dicha información, ni pretendemos que sea exhaustiva por naturaleza. El Formulario Ampliado de FEP Blue Basic Medicare Prescription Drug Program (MPDP) no es una lista completa de todos los medicamentos cubiertos. Este Formulario no pretende sustituir los conocimientos, la experiencia, la habilidad ni el criterio del proveedor médico en la elección de medicamentos recetados. El FEP no asume ninguna responsabilidad por las acciones u omisiones de ningún proveedor médico basadas en la confianza, total o parcial, en la información contenida en este documento. El proveedor médico debe consultar la literatura del producto del fabricante del medicamento o las referencias estándar para obtener información más detallada.

La información contenida en este documento es de propiedad exclusiva. La información no se puede copiar en su totalidad o en parte sin el permiso por escrito del FEP. Todos los derechos reservados.

Este documento contiene referencias a medicamentos recetados de marca que son marcas comerciales o marcas comerciales registradas de fabricantes farmacéuticos no afiliados al FEP.

Si consulta este formulario a través de Internet, tenga en cuenta que este se actualiza periódicamente y que los cambios pueden aparecer antes de su fecha de entrada en vigor.

El Programa de Medicamentos Recetados de Medicare (MPDP) del formulario FEP es un plan de medicamentos recetados con un contrato de Medicare. La inscripción en el MPDP depende de la renovación del contrato. The Blue Cross and Blue Shield Federal Employee Program® y FEP® son marcas registradas pertenecientes a Blue Cross Blue Shield Association.

Leyenda: La información en la columna Requisitos/Límites le indica si el Formulario Ampliado de FEP Blue Basic Medicare Prescription Drug Program (MPDP) tiene algún requisito especial de cobertura para su medicamento. La siguiente tabla describe los símbolos y las abreviaturas utilizados en la columna Requisitos/Límites.

OTC	Siglas en inglés que significa medicamento de venta libre.
PA	Autorización (Aprobación) previa: usted debe tener la aprobación previa del plan antes de que se le pueda entregar este medicamento.
QL	Límite de cantidad: hay un límite sobre cuánto medicamento cubriremos.
ST	Terapia escalonada: debe probar primero otro medicamento antes de que pueda recibir este otro.
