Please circle the appropriate answer for each applicable question.

1. Does the member have a diagnosis of migraine headache?  Y  N
2. Does the member experience more than four migraine headaches per month?  Y  N
   [No authorization is required for a quantity sufficient to treat four or fewer headaches per month.]
3. Is the member currently using migraine prophylactic therapy (e.g., amitriptyline, divalproex sodium, propranolol, timolol)?  Y  N
   [If the answer to this question is yes, skip to question 6.]
4. Has the member experienced an inadequate treatment response or intolerance to at least 2 different migraine prophylactic therapies?  Y  N
   [If the answer to this question is yes, skip to question 6.]
5. Does the member have a contraindication to all migraine prophylactic therapies?  Y  N
6. Given the potential for medication overuse headache when triptan drugs are used with increased frequency, has the possibility that the member is experiencing medication overuse headache been considered and ruled out?  Y  N
7. Is the member taking this medication in combination with another triptan (e.g., Alsuma, Amerge, Axert, Frova, Imitrex, Maxalt, Relpax, Sumavel, Treximet, or Zomig) or an ergotamine-
containing drug (e.g., Migranal, Cafergot)?

8. Does the member have confirmed or suspected cardiovascular or cerebrovascular disease, or uncontrolled hypertension?

Y  N
