

The Inspiration

Eric Delson was the Vice President of Marketing and Clinical Services for Caremark.

As a person with hemophilia, Eric did not allow challenges to deter him from any

goals he set out to achieve. Although limitations were well-known to Eric, these same limitations were the fuel that drove him to enhance the lives of others who were living with hemophilia. Through his example of leadership, commitment, determination and compassion, Eric's positive influence touched many who had the privilege of knowing him and others who did not.

It is with the memory of this great man and the spirit of the young mind that this scholarship was founded.

The Eric Delson Memorial Scholarship Program

The Eric Delson Memorial Scholarship

The Program

The Eric Delson Memorial Scholarship Program was created to support and encourage education for students diagnosed with hemophilia or von Willebrand disease.

This scholarship program is administered by Scholarship Management Services, a department of Scholarship America. Scholarship America is dedicated to improving access to postsecondary education for students through scholarships and educational support. Awards are granted without regard to race, color, creed, religion, sexual orientation, age, gender, or disability.

Eligibility

Students clinically diagnosed with hemophilia or von Willebrand disease are eligible to apply for The Eric Delson Memorial Scholarship Program.

Applicants must be:

- students entering Grades 7 through 12 at private secondary schools in the United States
- OR
- high school seniors, high school graduates or equivalent (GED), or postsecondary school students currently enrolled or planning to enroll in a full-time undergraduate or graduate course of study at an accredited two or four year college, university or vocational-technical school in the United States. Students must be accepted by the institution during the year for which the scholarship is given and must be enrolled with the designated institution no later than September of the coming year.

The Scholarship Award

The Eric Delson Memorial Scholarship Program will award scholarships in the amount of \$2,500 per student in postsecondary schools as indicated above under "Eligibility."

Up to three postsecondary awards will be granted each year. In addition, one award of \$1,500 will be given to a student attending a private school in grades 7 through 12.

Application Procedure

It is the responsibility of the applicant to gather and submit all necessary information required for consideration. Please note that applications are evaluated on the information supplied; therefore, it is important to answer all questions as completely as possible. All information received is considered confidential and is reviewed only by Scholarship America.

Interested students must complete the appropriate application and send it together with a current transcript of grades postmarked no later than July 1 to:

Selection of Recipients

Scholarship recipients are selected on the basis of academic record, demonstrated leadership and participation in school and community activities, work experience, statement of educational and career goals, unusual personal or family circumstances and an outside appraisal.

The Eric Delson Memorial Scholarship Program is managed entirely by Scholarship America. The organization receives and evaluates the applications, makes the selections and notifies all candidates. Scholarship America acts as a not-for-profit, neutral third party administrator.

Any applicant not selected in one year may reapply in any later year for which he or she is eligible. Scholarship America will notify all applicants of award decisions.

Renewal Requirements

Scholarships may be renewed for a maximum of three consecutive years. Renewals are based on recipients maintaining satisfactory academic and disciplinary standing. Postsecondary recipients must maintain a 2.5 grade point average on a 4.0 scale for the freshman year and a 3.0 on a 4.0 scale for subsequent years.

Renewal forms will be included with the December check. These forms must be returned to Scholarship America along with a current, complete official transcript of grades.

Payment of Awards

On behalf of The Eric Delson Memorial Scholarship Program, Scholarship America will pay scholarship awards in two equal installments. Checks will be mailed to each recipient's home address on August 15 and December 30. Checks will be made payable to the school for the student.

Obligations

Recipients have no obligation to CVS Caremark. They are, however, required to supply Scholarship America with current transcripts and to notify Scholarship America of any changes of address, school enrollment or other relevant information.

Revision Policy

The preceding is a brief statement of the general conditions and procedures under which scholarships are awarded. These conditions and procedures are subject to periodic review and possible changes by CVS Caremark without prior notice. Changes can be made at any time including termination of the Program.
