

Plan Summary

This chart explains what your plan covers and what your share of prescriptions costs will be. You can also find it on our website, too.

Mass General Brigham Health Plan, Unicare, Harvard Pilgrim, and Health New England

Under your plan, you can save money by filling prescriptions for long-term medications (used to treat conditions like diabetes, asthma, or high blood pressure) in 90-day supplies at CVS Pharmacy or by mail. CVS Caremark will allow two 30-day fills for long-term medications at your regular pharmacy before being asked to switch to 90-day supplies. **If you want to keep filling your long-term medication prescriptions at your current pharmacy in 30-day supplies without paying the full cost, you must opt-out once your new plan starts by calling CVS Caremark at (877) 876-7214 option 2. Prescriptions for short-term acute medications (like antibiotics) can be filled at any retail pharmacy in your plan's network.**
