

COVID-19 Testing

Get your FDA-authorized at-home COVID-19 test kits

Two convenient ways to get COVID-19 test kits
covered by your plan

Option 1: Ask the pharmacy

- Bring tests to the pharmacy counter at a **participating pharmacy**
- Present your member ID card and ask to have them submitted to your plan for coverage

Option 2: Request reimbursement

- Buy over-the-counter COVID-19 tests
- Your plan will pay up to \$12 for each test (including tax and shipping)
- Get reimbursed at **Caremark.com** or submit the paper claim form below:
 - **Basic Plan Form**
 - **Medicare Plan Form**

**Your plan will pay
for up to eight
test kits for each
covered person
every month.**

Stay covered, stay tested.
