

# Tobacco Quit Aids

Your Partners for Health prescription drug coverage provides the following no-cost aids to members who want to stop using tobacco products:

- Varenicline (generic Chantix)
- Bupropion (generic Zyban)
- Over-the-counter **generic** nicotine replacement products, including gum, patches and lozenges
- Nicotrol oral and nasal inhalers

For members to obtain over-the-counter products at no cost, a prescription from their doctor is required. Quit aid prescriptions for 30-day supplies can be filled at participating network pharmacies, while 90-day supplies can be obtained at participating 90-day retail pharmacies or through CVS Caremark® mail order.

Start your journey with the Great American Smokeout hosted by the American Cancer Society on Nov. 21, 2024. For more information about this event, visit [cancer.org/smokeout](https://cancer.org/smokeout).

MEMBERS MAY RECEIVE UP TO TWO  
**12-week courses**

of treatment per calendar year (up to 168 days of treatment) with no lifetime maximum.

To find a pharmacy near you, call **(877) 522-8679** or log onto **[info.caremark.com/stateoftn](https://info.caremark.com/stateoftn)**
