

AbbVie Custom Drug List

The **AbbVie Custom Drug List** is a guide for AbbVie plan members.

PLAN MEMBER

Your health plan provides you with a prescription benefit program administered by CVS Caremark®. Ask your doctor to consider prescribing, when medically appropriate, a preferred medicine from this list. Take this list along when you or a covered family member sees a doctor.

Please note:

- For specific information regarding your prescription benefit coverage, please visit [Caremark.com](https://www.caremark.com).
- Certain medications on this Custom Drug List are covered if utilization management criteria are met (i.e., Prior Authorization, Quantity Limits, etc.)

HEALTH CARE PROVIDER

Your patient is covered under a prescription benefit plan administered by CVS Caremark.

Please note:

- Unless specifically indicated, drug list products will include all dosage forms.
- Log in to [Caremark.com](https://www.caremark.com) to check coverage and copay¹ information for a specific medicine.

QUICK REFERENCE DRUG LIST

A

abacavir tablet
abacavir-lamivudine
ABILIFY MAINTENA
abiraterone
ABSORICA

FOR YOUR INFORMATION: Unless specifically indicated, drug list products will include all dosage forms. This list represents brand products in CAPS and generic products in lowercase *italics*. Generics listed are for representational purposes only and are not meant to be all-inclusive. Log in to [Caremark.com](https://www.caremark.com) to check coverage for a specific medicine.

* These products are manufactured by AbbVie.

- ¹ Copayment, copay or coinsurance means the amount a member is required to pay for a prescription in accordance with a Plan, which may be a deductible, a percentage of the prescription price, a fixed amount or other charge, with the balance, if any, paid by a Plan.
- ² For use in patients previously treated with an HCV regimen containing an NS5A inhibitor (for genotypes 1-6) or sofosbuvir without an NS5A inhibitor (for genotypes 1a or 3).

This document contains prescription brand-name medicines that are registered or trademarks of pharmaceutical manufacturers. Listed products are for informational purposes only and are not intended to replace the clinical judgment of the prescriber. The document is subject to state-specific regulations and rules, including, but not limited to, those regarding generic substitution, controlled substance schedules, preference for brands and mandatory generics whenever applicable.

The information contained in this document is proprietary. The information may not be copied in whole or in part without written permission.
