

Coverage Exception Request

NOTE: This form must be completed by the prescribing physician. Because of the protected health information (PHI) contained, this form will be used only for purposes related to provision of treatment, payment and health care operations (TPO). This form and its contents are permissible under HIPAA. HIPAA does not restrict the communication of PHI to providers for TPO-related purposes.

| Patient Information | Prescriber Information |
|-----------------------------|--------------------------|
| Patient Name: | Prescriber Name: |
| Date of Birth: | Prescriber Phone Number: |
| Plan Participant ID Number: | Prescriber Fax Number: |

Exceptions may be allowed if considered medically necessary and meet one of the following circumstances:

1. There is a medical contraindication to the use of formulary/generic medications
2. The member would likely experience significant adverse effects from the use of formulary/generic medications.
3. The use of formulary/generic medications represents an unacceptable clinical risk to the member.
4. There are no formulary alternative medications available.

A. Medication and Dose requested: _____

B. Diagnosis: _____ ICD-9 Code: _____
