APPENDIX B: COORDINATION OF BENEFITS (COB)

🔴 Medicaid COB

• Use the information provided in the chart below to submit the claim
• The OPAP field (Other Payer Amount Paid) should be populated

RXPCN ADV will begin to transition to MCAIDADV for most Medicaid Plans (does not apply to certain plans with unique RXPCN values or states that have unique RXPCN values (e.g., Ohio, Delaware, Minnesota and Mississippi). This will allow pharmacies to more easily identify Medicaid plans and COB pricing scenarios for those plans. This will be an on-going enhancement, starting with new plans and will eventually roll out to existing plans. **Please do not change any current setups until directed to do so by communication or being presented with an updated Member Id Card.**

All other forms of insurance coverage (e.g., Medicare Part B or Part D, commercial insurance, etc.) should be submitted before Medicaid. Please update the member profile with COB information.
