If a member chooses to change plans during the benefit year exception approvals may no longer be valid. Please consult your plan brochure for formulary coverage.

Approved requests for medications which are subject to prior authorization require additional criteria to be met prior to final validation and coverage determination. Approval will be given once all required documentation has been received.

Prior authorization forms may be found at: https://www.caremark.com/wps/portal/WEBSUPPORT FAQS?cms=CMS-PWCM-2034779
