| 4. Has the patient tried and had an inadequate treatment response or intolerance to the required number of formulary alternatives below: Drug Name, Trial Year, Reason for Failure | Y | <input type="checkbox"/> | N | <input type="checkbox"/> |

Note: Formulary Alternatives should be prescribed first unless the patient is unable to use or receive treatment with the alternatives. Required Formulary Alternatives 2 in a class with 2 alternatives: ANDRODERM, AXIRON

[If yes, no further questions]

- | | | | | |
|--|---|--------------------------|---|--------------------------|
| 5. Does the patient have a contraindication to all the alternatives? | Y | <input type="checkbox"/> | N | <input type="checkbox"/> |
|--|---|--------------------------|---|--------------------------|

I attest that the medication requested is medically necessary for this patient. I further attest that the information provided is accurate

and true, and that documentation supporting this information is available for review if requested by the claims processor, the health plan sponsor, or, if applicable, a state or federal regulatory agency. I understand that any person who knowingly makes or causes to be made a false record or statement that is material to a claim ultimately paid by the United States government or any state government may be subject to civil penalties and treble damages under both the federal and state False Claims Acts. See, e.g., 31 U.S.C. §§ 3729-3733.

Prescriber (Or Authorized) Signature and Date

Now you can get responses to drug Pas immediately and securely online – without faxes, phone calls, or waiting. How? With electronic prior authorization (ePA)! For more information and to register, go to www.caremark.com/epa.
