Prior Authorization Form

HYALURONATES (FA-PA)

This fax machine is located in a secure location as required by HIPAA regulations. Fax complete signed and dated forms to CVS Caremark at **1-888-836-0730**. Please contact CVS Caremark at **1-855-240-0536** with questions regarding the prior authorization process. When conditions are met, we will authorize the coverage of Euflexxa (1% sodium hyaluronate).

I attest that the medication requested is medically necessary for this patient. I further attest that the information provided is accurate and true, and that documentation supporting this information is available for review if requested by the claims processor, the health plan sponsor, or, if applicable, a state or federal regulatory agency. I understand that any person who knowingly makes or causes to be made a false record or statement that is material to a claim ultimately paid by the United States government or any state government may be subject to civil penalties and treble damages under both the federal and state False Claims Acts. See, e.g., 31 U.S.C. §§ 3729-3733.

Prescriber (Or Authorized) Signature and Date

Now you can get responses to drug Pas immediately and securely online – without faxes, phone calls, or waiting. How? With electronic prior authorization (ePA)! For more information and to register, go to www.caremark.com/epa.
