MAC Appeals

The following is intended to assist pharmacies when navigating within the CVS Caremark Pharmacy Portal in order to submit MAC Appeals.

Screen 1: Log-in Page

Upon entering the link to the Pharmacy Portal, you will reach the log-in page.

(https://rxservices.cvscaremark.com/)

If you are an individual pharmacy and not already registered to use the Pharmacy Portal, click “Sign Up”, complete the validation procedures, and create a user name and password.

If you are a chain or PSAO headquarters and not already registered, contact your CVS/caremark Network Account Manager to receive login instructions.

Note: The Pharmacy Portal is the same site many providers have accessed for MAC look-up inquiries based on various state requirements; it also is the site for pharmacy re-credentialing activities. If your pharmacy has previously registered, click on “Sign In”; if your pharmacy has not registered, click on “Sign Up” and follow instructions.
Once login information is entered, disclosures regarding Pharmacy Portal Terms of Use display.

In order to proceed, check the box agreeing to the Terms of Use of the Pharmacy Portal and click “Continue”.

To access the MAC Appeal form, click on “MAC Menu” then “MAC Appeal” from the Home Page.

The recipient of this fax may make a request to opt-out of receiving telemarketing fax transmissions from CVS Caremark. There are numerous ways you may opt-out: The recipient may call the toll-free number at 877-285-2711 and/or fax the opt-out request to 401-652-0893, at any time, 24 hours a day/7 days a week. The recipient may also send an opt-out request via email to do_not_call@cvscaremark.com. An opt out request is only valid if it (1) identifies the number to which the request relates, and (2) if the person/entity making the request does not, subsequent to the request, provide express invitation or permission to CVS Caremark to send facsimile advertisements to such person/entity at that particular number. CVS Caremark is required by law to honor an opt-out request within thirty days of receipt. An opt out request will not opt you out of purely informational, non-advertisements, Caremark pharmacy communications such as new implementation notices, formulary changes, point-of sale issues, network enrollment forms, and amendments to the Provider Manual.
