## **NEW TO MARKET FDA-APPROVED MEDICATION REVIEW**

We may not add new FDA-approved medicines to our formularies (approved drug lists) to allow the Pharmacy and Medical Policy Committee time to review new to market drugs for possible formulary coverage and placement.

## **NEW TO MARKET FDA-APPROVED MEDICATION REVIEW EXCEPTION PROCESS**

New to Market FDA-Approved Medication Review Exception Process allows a member to apply for coverage of an excluded drug at a tier 3 cost share if a member has tried and failed the covered drug(s).
