## **NEW TO MARKET FDA-APPROVED MEDICATION REVIEW**

We may not add newly FDA-approved medicines to our formularies (approved drug lists) for up to six months. This will allow the Pharmacy and Medical Policy Committee time to review new to market drugs for possible formulary coverage and placement.

## **NEW TO MARKET FDA-APPROVED MEDICATION REVIEW EXCEPTION PROCESS**

New to Market FDA-Approved Medication Review Exception Process allows a member to apply for coverage of an excluded drug at a tier 3 cost share if a member has tried and failed the covered drug(s).
