

Tobacco Quit Aids

Your State Group Insurance Program prescription drug coverage provides the following no-cost aids to members who want to stop using tobacco products:

- Varenicline (generic Chantix)
- Bupropion (generic Zyban)
- Over-the-counter **generic** nicotine replacement products, including gum, patches and lozenges
- Nicotrol oral and nasal inhalers

For members to obtain over-the-counter products at no cost, a prescription from their doctor is required. Quit-aid prescriptions for 30-day supplies can be filled at participating network pharmacies, while 90-day supplies can be obtained at participating 90-day retail pharmacies or through CVS Caremark® mail order.

Start your journey with the Great American Smokeout hosted by the American Cancer Society on Nov. 16, 2023. For more information about this event, visit cancer.org/smokeout.
