### Your Prescription Solution

Americans are paying more for prescription drugs than ever before, and for many, staying healthy can come at a high price. But now, you can save money on your prescriptions at your neighborhood pharmacy or through home delivery with AAA Prescription Savings.<sup>SM</sup>

**Savings** You can save an average of 35% on generic drugs and an average of 15% on brand drugs when you use your AAA Prescription Savings card.

**Easy** Tear off the attached card and begin saving right away! Simply present the completed card at a participating pharmacy and pay a reduced price on your prescription drugs.

**No Limits** You can use your AAA Prescription Savings card any time your prescription is not covered by insurance. There are no restrictions. **You can even use it to receive discounts on prescriptions for your pets.**

**Convenient** Your AAA Prescription Savings card is accepted at more than 57,000 neighborhood pharmacies nationwide. There are no claim forms to complete, no commitments, and no contracts to sign.

**Safe** Each time you use your card, your prescription is screened to check for possible drug interactions with other prescriptions filled through AAA Prescription Savings. If a potential hazard or interaction is detected, the system will alert the pharmacist.
