**CVS Caremark Specialty Pharmacy and CarePlus Pharmacy are leading providers of fully integrated pharmacy benefit management services, specialty pharmacy services and disease management programs.**

With over 30 years of specialty pharmacy experience, CVS Caremark Specialty Pharmacy and CarePlus Pharmacy provide proactive quality care and service. We have a network of pharmacies which includes those with Joint Commission accreditation. The Joint Commission is a nationally recognized symbol of quality which reflects an organization's commitment to meeting the highest standards for quality and safety in the delivery of health care.

**If you are a plan participant or health care provider, please contact CaremarkConnect® toll-free at 1-800-237-2767.**

Products distributed and therapies covered by CVS Caremark Specialty Pharmacy and CarePlus Pharmacy may change or expand from time to time. In addition, your specific prescription benefit plan design may not cover certain categories, regardless of their appearance in this document.

This Exclusive Network Drug List contains prescription brand-name drugs that are trademarks or registered trademarks of pharmaceutical manufacturers that are not affiliated with CVS Caremark Specialty Pharmacy and CarePlus Pharmacy.

<sup>1</sup> Lowercase type indicates generic name and availability; lowercase type within parentheses indicates trademark generics listed only when no brand is available; products in all capital letters within parentheses indicate brand-names of generic products.

<sup>2</sup> Multiple dosage formulations and injectable devices are available

<sup>3</sup> Call CVS Caremark for specific medications available through CVS Caremark Specialty Pharmacy and CarePlus Pharmacy
