

# CDHP members can save on prescription costs

The 2023 maintenance medication list has been updated to include more medications. You have a chance to pay less for your prescriptions. You can fill them in 90-day supplies either through CVS Caremark® Mail Service Pharmacy or at a participating Retail-90 pharmacy.

Many medications on the HSA Preventive Therapy Drug List will allow you to pay a lower coinsurance\* even if you haven't met your deductible.\*\*
