

Retail-90 Network

Save with 90-day supplies

State of Tennessee 90-day retail network. Please keep in mind the following:

Help keep your copay* low

Start filling medications you take regularly (like medication for asthma or high blood pressure) in 90-day supplies at all pharmacies in the State of Tennessee Retail-90 network. This includes many independent pharmacies as well as some chain pharmacies such as WalMart, Kroger and CVS.

Maintenance tier medications can be filled for 90 days for the same price as a 30-day supply.

This applies to:

- Anti-hypertensives
- Chronic obstructive pulmonary disease
- Coronary artery disease
- Congestive heart failure
- Depression
- Diabetes
- Some osteoporosis medications
- Statins

How to start saving with 90-day supplies

If you're filling a 90-day supply, you will need to verify that your pharmacy is part of the 90-day retail network. Don't worry, we make it easy.

- Pickup at any in-network pharmacy
- Find a list of nationwide Retail-90 pharmacies online

For additional assistance, contact Customer Care:

- Visit www.caremark.com/portal/asset/Mail_Retail_Network_Listing.pdf
- Call 1-877-522-8679

A 90-day supply may save you money and help you get the most from your medications.

For savings opportunities and personalized support, you can view all pharmacy networks at https://www.caremark.com/portal/asset/Mail_Retail_Network_Listing.pdf.

*Copayment, copay or coinsurance means the amount a member is required to pay for a prescription in accordance with a Plan, which may be a deductible, a percentage of the prescription price, a fixed amount or other charge, with the balance, if any, paid by a Plan.

Your privacy is important to us. Our employees are trained regarding the appropriate way to handle your private health information.
